Sub : Testing of transfer of vacant berths to next remote location in HHT Application

Ref : Dy.CCM/PTS letter No. CAO/PTS/74/HHT-TTE/Expan./Roll-Out/2013 dated 18.03.2019

Please find enclosed herewith a copy of Dy.CCM/PTS above mentioned letter, wherein CRIS/New Delhi has requested Zonal Railways for testing and provide report of following functionalities developed/integrated with PRS and released in HHT application:-

1. Send the vacant berths/seats position to the next remote location well in advance for booking at remote location before preparation of current chart.
2. Vacant berths/seats to be made available for TTE upto next remote location.
3. Making available the berths cancelled after charting i.e. between charting and current charting.
4. Provision of preparation of Exceptional Data Report (EDR).

It is further stated that the above said functionalities enabled in HHTs and its on-field performance requires monitoring as well as inspection at Headquarters level. In this regard, PCCM/S.E. Rly desired to have a presentation & demo from CRIS for Headquarter's Officers, Inspectors & Supervisors.

In view of the above, it is requested to arrange a presentation & demo for Headquarter's Officers & Inspectors/Supervisors regarding functioning of Hand Held Terminals for TTEs. Date, time & venue of presentation may be fixed at your end.
